## Diversity Monitoring Questionnaire

Skillset is committed to diversity and equal opportunities in all aspects of our work:

*“Skillset recognises that the creative media industries both serves, and draws, on the talents and skills of a diverse population. The diversity consists of visible and non-visible differences. It is the harnessing of these differences, which results in a globally successful, creative and productive industry. As the Sector Skills Council, Skillset is pro-active in setting and sustaining quality standards of training and development in such a way as to value these differences in the attainment of personal and corporate goals.”*

The personal information requested in this form will help us to comply with the law and to ensure that our policies and practices are fair and effective. The information provided will be treated in strictest confidence and processed in accordance with the Data Protection Act 1998.

If you would prefer not to answer any individual questions then please leave them blank. The responses that you give will assist us greatly in our commitment to diversity.
